The 2013 Asuka is Kenzo Estate's debut red offering from this marvelous vintage. Floating atop a soft cloud of elevated tannins, the aromatic depth of this wine is its defining virtue. The floral architecture is pronounced, with first impressions of sage spice, dark cherry and cassis, followed by hints of smoked meat, clove, honeysuckle and vanilla. This is a wine that can easily be consumed now in its youth, or cellared for years to come.
