## 明日香

*A fine bed of supple tannins define this young wine and make it drinkable by day one. Cabernet Franc aromatics prevail throughout: black fruit, white pepper, and spring flowers enveloping your olfactory nerves. Hints of vanilla from our French oak barrels and a touch of oak tannin give this wine a palate weight more akin to Cabernet Sauvignon. Although, this wine is indeed true to its Cabernet Franc backbone; elegant, bright and graceful. Drink now and for many years to come.*
