A Dramatic Rose of Merlot, Cabernet Franc, Malbec and Cabernet Sauvignon

The 2015 Yui is Kenzo Estate's sublime new Rose offering. Crafted of Bordeaux varietals including Merlot, Malbec, Cabernet Franc and Cabernet Sauvignon, this latest release of Yui is a marvel in its pale pink hue. Aromas include lemon zest, violets, raspberry and strawberry. The delicate texture on the palate reveals a wine born of a temperate growing season, one where warm days were followed by cool, damp nights. Whether celebrating with friends, or sitting on the front porch on a hot day, let Yui dazzle your senses with each cool sip.
